

## Night Works – Joan Ford Bridge, Pelican Waters Boulevard, Pelican Waters

### Project summary

Joan Ford Bridge, Pelican Waters will be undertaking much needed repair works.

Bridge repair night works are scheduled for Thursday 15 April 2021 along Joan Ford Bridge, Pelican Waters Boulevard, Pelican Waters (weather and site conditions permitting).

One lane will be closed at a time between both roundabouts on Pelican Waters Boulevard.

This partial road closure will ensure the night works can be undertaken as quickly and safely as possible.

### Start date

Works are expected to begin 6:00pm Thursday 15 April and be completed by 6:00am Friday 16 April – weather and site conditions permitting.

**Location:** Pelican Waters Boulevard (between The Corso roundabout and Harboursights Way roundabout).

Please refer to the map on page 2 for the location of this temporary partial road closure.

### What to expect during these works

Nearby residents should expect some audible noise as heavy machinery will be in use.

To ensure the safety of all workers lighting towers will be used to light work areas and reversing beepers and flashing lights are requirement.

Emergency vehicle access will remain available to homes and businesses under the direction of traffic control.

### Traffic management

Traffic control management measures will be in place throughout construction to ensure the safety of all road users.

Your patience during construction is appreciated.

### Further information

Please contact Council's Senior Project Officer, Wayne Brockhurst on the details below.

### A note from your local councillor

The Joan Ford Bridge on Pelican Waters Boulevard is in need of repair work.

Partial road closures will be in place as noted above.

Your patience is appreciated if you're using this bridge during the repair work.
